BELL ATLANTIC - MAINE
Resale Agreement with
OneStar Long Distance, Inc.

ORDER APPROVING
RESALE AGREEMENT

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

In this Order, we approve a resale agreement between New England Telephone and Telegraph Company d/b/a Bell Atlantic-Maine (Bell Atlantic) and OneStar Long Distance, Inc. (OneStar), pursuant to section 252 of the Telecommunications Act of 1996.

On May 26, 1999, Bell Atlantic filed a negotiated Service Agreement with OneStar, pursuant to 47 U.S.C. § 252, enacted by the Telecommunications Act of 1996. An agreement reached pursuant to that provision may allow a telecommunications carrier to purchase unbundled network elements, or local services at a discounted wholesale rate (the discount reflecting avoided cost), or both, from an incumbent local exchange carrier (ILEC) or competitive local exchange carrier (CLEC).

The agreement incorporates terms and conditions of a separate Interim Resale Service Agreement between New England Telephone and Telegraph Company and Business Long Distance, Inc., approved by the Commission on October 7, 1997 in Docket No. 97-492 (the "Separate Agreement," attached as Appendix 1 to the agreement filed in this proceeding).

OneStar will pay to Bell Atlantic the discounted prices contained in the voluntary agreement that was reached pursuant to arms-length negotiations between the parties. The pricing standards contained in 47 U.S.C. § 252(d) apply only to arbitration proceedings under section 252(b) and not to negotiated agreements under section 252(a). Bell Atlantic does not represent that the prices contained in the Agreement are consistent with the section 252(d) pricing standards or with any other state or federal policy.

Section 252(e)(2) states that a state commission may reject a negotiated agreement only if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or if "the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity." We received no comments by the comment deadline set in a June 3, 1999, Notice of Agreement and Opportunity to Comment. We do not make either of the

findings set forth in section 252(e)(2) for rejection, and we therefore approve the agreement.

We qualify our approval in two respects, however, and reserve findings on future potential issues. First, we reserve judgment on whether the rates contained in the agreement are reasonable from the perspective of Bell Atlantic's retail ratepayers. Bell Atlantic is presently under an alternative form of regulation (AFOR) ordered by the Commission in Docket No. 94-123. The AFOR began in December, 1995. Under the AFOR, Bell Atlantic bears the risk of lost revenues resulting from rates that are too low. However, at the end of the initial 5-year period of the AFOR, and in 2005 if the present AFOR is renewed, we may have occasion to review Bell Atlantic's earnings. We do not resolve whether Bell Atlantic is receiving reasonable compensation from any CLECs that may avail themselves of the rates provided to OneStar pursuant to 47 U.S.C. § 252(i) and, if they are not reasonable, whether we should impute revenues to Bell Atlantic.

Second, section 271(c) of the Act, 47 U.S.C. § 271(c), requires that the Bell Operating Companies (BOCs) meet certain requirements before they are allowed to provide interLATA service (the so-called "competitive checklist"). Under section 271(d)(3), the Federal Communications Commission (FCC) must determine whether the BOC has met the competitive checklist before granting the BOC authority to provide interLATA service within its region. Prior to making that determination, the FCC must consult with state commissions "in order to verify the compliance of the BOC with the checklist." Our approval of this Agreement should not be construed as a finding that Bell Atlantic has met those requirements.

The agreement filed by Bell Atlantic provides for resale of Bell Atlantic's services in Maine by OneStar. If OneStar seeks to interconnect with networks maintained by independent local exchange carriers in Maine, or to resell services offered by those carriers, it must seek a termination, suspension, or modification of the exemption contained in 47 U.S.C. § 251(f)(1)(A).

If OneStar wishes to provide public utility services, it must seek Commission authorization to provide those services pursuant to 35-A M.R.S.A. § 2102, and we will require OneStar to maintain schedules of rates, terms, and conditions pursuant to 35-A M.R.S.A. § 304. The terms and conditions shall specify the areas in which the utility will actually provide originating and terminating local exchange service, and may do so by reference to incumbent local exchange carrier exchanges rather than by municipalities.

ORDERING PARAGRAPHS

Accordingly, we

1. Approve the Resale Service Agreement between New England Telephone and Telegraph Company d/b/a Bell Atlantic-Maine and OneStar Long Distance, Inc. attached hereto, pursuant to 47 U.S.C. § 252(e);
2. Order that OneStar Long Distance, Inc. shall not provide local exchange telephone service until the Commission grants authority to OneStar Long Distance, Inc. to provide such service and until the Commission approves schedules of rates, terms and conditions for the provision of such service; and
3. Order that the Administrative Director shall make a copy of the attached Agreement available for public inspection and copying pursuant to 47 C.F.R. § 252(h) within 10 days of the date of this Order.

Dated at Augusta, Maine this 15th day of June, 1999.
